

RECITAL REHEARSALS AT CLC JUNE 14 – JUNE 19

SPECIAL NOTE: Many dancers will have rehearsal times that overlap with one another. The first 15-30 minutes of every rehearsal is designed to allow the dancers *arriving* to warm-up and to put on their dance shoes so that all classes have exactly 30 minutes of stage time. Dancers who have overlapping times will actually be rehearsing on stage as their next class is arriving and having their warming-up period with an instructor.
